The background of the slide is a grayscale photograph of the Bodet Software building. The building is a modern structure with a dark, vertically-slatted facade and a large glass entrance. To the left of the building, the word "Bodet" is visible in a stylized font. In the foreground, there is a gravel area with several white flagpoles. Two flags are flying: the flag of the Netherlands on the left and the flag of the United Kingdom on the right. The sky is overcast with clouds.
